

## Lyme Disease and the SS Elbrus (Hardback)

By Rachel Verdon

Elderberry Press, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a quest to uncover the origin of Lyme disease, the author zeroed in on Russia's fur shipping industry and its New York brokerage, AMTORG Trading Company. FBI mole, Robert Hanssen was simultaneously assigned to monitor AMTORG in Project Pocketwatch under the Clinton Administration overseeing the Russian Counter Intelligence Desk. Verdon's FBI FOIAs were stonewalled a dozen years, greatly impeding her research; other files simply vanished. Unbeknownst to the author at that time, spy Hanssen had forked over some 60,000 pages to the Russians, many originals. AMTORG's founder, Russia's most favored fur dealer, Armand Hammer, hired accountant Arthur Andersen to head his new oil venture, Occidental Petroleum. Together, Ken Lay (Nixon's Undersecretary of Energy and future CEO of ENRON), Andersen, and Hammer ushered in a new Detente with Russia and Red China. For the privilege of the US Export Import Bank subsidizing Oxy's Siberian gas pipeline, Hammer would be obliged to make illegal campaign contributions funneled to the Watergate burglars. Had the history of the USSR's biological warfare program been destroyed to preserve Detente and...
