

Safety Management in a Competitive Business Environment

By Juraj Sinay

Taylor & Francis Inc. Hardback. Book Condition: new. BRAND NEW, Safety Management in a Competitive Business Environment, Juraj Sinay, Although often taken for granted, safety doesn't just happen. It requires a deep understanding of the principles of safety culture that then must be applied in all of your actions. Safety Management in a Competitive Business Environment discusses the meaning of the culture of safety in all areas of industrial manufacturing, focusing on risk management preventative measures. It explores the new and emerging risks and underlines the significance of effective education methods as prerequisites for acquiring appropriate risk management skills. The book provides an integrated and systematic point of view on the field of occupational health and safety management, safety of machines and machinery, and certain complex technologies. It touches on civil safety as a part of safety culture in the sense of national culture-an area that is now becoming very topical. The author details the risk assessment methods available and the many factors that come into play such as deterioration due to ageing, construction issues, and workplace noise, to name just a few. He also covers the importance of education for risk management professionals of all levels and the integration...

Reviews

These sorts of book is the best book offered. I have got read and so i am sure that i will planning to read yet again once more in the future. Its been written in an exceedingly basic way which is merely after i finished reading through this publication in which really altered me, change the way in my opinion.
