Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

SIMON SCHUSTER, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In this masterful and often surprising sequel to the acclaimed Duane s Depressed, the Pulitzer Prize- and Oscar-winning author of Lonesome Dove has written a haunting, elegiac, and occasionally erotic novel about one of his most beloved characters. Duane Moore first made his appearance in The Last Picture Show and, like his author, he has aged but not lost his vigor or his taste for life. Back from a two-week trip to Egypt, Duane finds he cannot readjust to life in Thalia, the small, dusty, West Texas hometown in which he has spent all of his life. In the short time he was away, it seems that everything has changed alarmingly. His office barely has a reason to exist now that his son Dickie is running the company from Wichita Falls, his lifelong friends seem to have suddenly grown old, his familiar hangout, once a good old-fashioned convenience store, has been transformed into an Asian Wonder Deli, his daughters seem to have taken leave of their senses and moved on to new and strange lives, and his own health is at serious risk. It s as if Duane cannot find any solace or familiarity in Thalia and cannot even bring himself to revisit the house he shared for decades with his late wife, Karla, and their children and grandchildren. He spends his days aimlessly riding his bicycle (already a sign of serious eccentricity in West Texas) and living in his cabin outside town. The more he tries to get back to the rhythm of his old life, the more he realizes that he should have left Thalia long ago--indeed everybody he cared for seems to have moved on without him, to new lives or to...
